GETTYSBURG: HIGH TIDE OR DESPERATE GAMBLE?

Gettysburg, fought 1-3 July 1863, is an oft-told tale, some of its incidents---Little Round Top and Pickett's Charge among them---achieving near-legendary status among Civil War aficionado and non-history buff alike. Historians have been and remain divided on the reasons for the battle's outcome and its impact on the Civil War as a whole. The whole story covers not three days but three months, involving decision-making at the highest governmental levels as well as action by quick-thinking individuals on the battlefield. Christopher Perello takes another plunge into these deep waters, examining how the campaign and battle came about, how they progressed as they did, and how one or both might have turned out differently.

On Sale Spring 2021!

Target Market

- American Civil War history buffs

Up-Sells & Cross-Sells

- Stones River (DG Folio Game)
- Chantilly (DG Folio Game)
- Wilson's Creek (DG Folio Game)
- Bleeding Kansas (DG Box Game)

Selling Points

- Same great content as S&T, but more specialized and specific about a single subject.
- 116 pages
- Over 2 dozen maps & diagrams

Stock no

- STQ13

MSRP

- \$15.99
