

# Bulge: The Battle for the Ardennes

## 16 Dec. 1944-2 Jan. 1945

One of the most famous battles of World War II is re-created in this fast paced game. **Bulge** simulates Hitler's desperate gamble to halt the Allied advance through the west by unleashing his powerful armored forces through the Ardennes. A scattered American force must hold back the panzers until sufficient reinforcements arrive. Bulge captures the tense excitement of the German drive to capture vital bridges and road intersections. Using **Bulge's** innovative game system, victory can occur for either player on any turn. With its combination of sophistication and playability, **Bulge** is a perfect introduction to the world of hobby wargaming and a challenge to novice and veteran gamers alike.
