

RAF: Battle of Britain (2nd Printing)

“Never in the field of human conflict was so much owed by so many to so few.”

—Winston Churchill

France has fallen. England stands alone against the might of a triumphant Germany, defended only by the Spitfire and Hurricane squadrons of the Royal Air Force. Hitler orders his mighty *Luftwaffe* to destroy the RAF in preparation for *Operation Sealion*—the invasion of England. German fighters and bombers fill the English skies and the RAF responds.

Now you command the RAF or the *Luftwaffe* in history’s greatest air campaign—the Battle of Britain. Improving on his award winning solitaire classic, designer John Butterfield ramps up the historical accuracy, tension and play options with *three* complete games.
