

## **Cobra Boxed Edition Errata (28 Aug 2020)**

**Map A, Turn Record Track, GT 16:** (In Mech Phase) applies to US reinforcements not German.

### **Counters:**

The 6Gd, 8, 27, & 31 independent Armored Brigades should have a star on the front and back. The star is a reminder to the players that these brigades halve their combat strength when not stacked with a British infantry division (8.3).

### **Rules:**

#### **2.3.2 Unit & Marker Types**

List should show British Armored Infantry Brigade.

#### **5.2 Mechanized Units**

**b)** should read: All Allied armor, armored infantry, armored cavalry and all headquarter units are considered mechanized.

#### **17.3 b) First sentence should read:**

All standard rules and those listed in the following sections are in affect.

#### **17.3.2 Allied Landing Phase, Step 4: Beach Defense, 3)**

Exception should read: **Exception: Apply only one shift for Bocage.**
